Lent Studies 2026 - Meeting God in John by David F. Ford

Meeting God in John explores what the Gospel reveals about God through the person of Jesus Christ. Essential reading for anyone seeking a richer grasp of the gospel message, it will leave you with a renewed appreciation of and enthusiasm for John's writing, and the desire to return to it over and over again. Ford's straightforward and illuminating approach also makes it eminently helpful for new Christians just starting out on their faith journey.

Each chapter includes questions for reflection or discussion, making *Meeting God in John* ideal for Bible study, whether individually or in small groups. With its focus on the Passion narrative, it also serves beautifully as a Lent devotional.

Simple yet profound, this is an invitation to all who long to deepen their understanding of John's Gospel - and, through it, to meet the God revealed in Jesus Christ.

I will order copies of the book for the Lent study groups which will take place around the circuit at different times and on different days. It is available at the subsidised (and bulk buy) rate of £8. Please can you let me know how many copies you need for each church by 5th Feb. After that date it will be available on Amazon for £10.
